

## HISTORY

Ellen Abramson founded ASON International in 1997. The ministry was born to search for strong, capable, visionary leaders in countries around the world in need of assistance to accomplish their God-given visions. ASON forms partnerships with these leaders and serves them for a time by helping them to accomplish their vision for a self-sustaining ministry to the people of their own nation.

## Serving the Kingdom

*"Our society for servicemen (the Russian Christian Military Union) and our church thank the Lord and you for your large contribution*

*to the expansion of the gospel. Due to ASON's partnership and visits with us, we expanded our network and held a conference for leaders of ministry. Your support has helped us to serve many more soldiers, their families and children. Your prayers, short term teams and gifts are invaluable in assisting us as we share the Gospel. May the Lord bless you in your labor."*

Russia—Pavel Golovchenko—Ministry to Soldiers/Families

## God Expands the Vision

*God is stretching our ministry and our nationals to dream bigger, reach father and to have greater impact as we promote the Gospel of our Lord Jesus Christ.*

*"ASON has provided us with mission teams to build schools, churches, clinics, and homes and opportunities to deliver a message of hope and salvation to hurting people in many communities. Some of our leaders had big dreams they were not certain could be accomplished. God showed*

*them that through partnership with ASON, their God-given dreams could be fulfilled. ASON has provided constant and faithful support, blessed us with medicine for our medical ministry, vehicles for us to reach out to the most isolated communities and encouragement to sustain us in times of challenge."*

Dominican Republic—Daniel Rodriguez—Church Planter

## Dreams Coming True

*"Thank you for helping in my ministry. God bless you! Without God and your help our work will not be accomplished. Your prayers, encouragement, team visits, financial support and council are invaluable to me. Assisting us with two Tri-Lingual Youth*

*Camps provided a unique opportunity for Latvian and Russian youth to come together. Bringing teens from the U.S. to join us in this camp brought three distinct cultures together in the name of Jesus. Training new pastors, consulting with new church planters and teaching throughout Latvia is an honor and blessing.*

Latvia—Maris Dupurs—Pastor, Church Planting

*"We are amazed how God brought ASON into our lives to help us accomplish our God-given vision for expanding His kingdom in India. ASON has encouraged us to persevere, in addition to providing financial support for a church plant couple and my PhD studies at Asbury Seminary. ASON also helped us to buy a two-story building we use for worship, a theological school and preparatory school. We hope to graduate 100 students each year from our theological school, add a high school and a medical clinic to our ministry. We hope and pray our partnership will continue to grow as we fulfill God's vision for India."*

India—Vinod—Theological Training

*"To work with ASON is a blessing for my life. My vision is to teach children and youth that Jesus loves them and He has a gift of salvation for each of them. We teach students in Adonai school and in outreach projects on the streets and clinics of our community. ASON provides me with encouragement and prayer support in addition to financial assistance. For many years I prayed for a way to build relationships with parents of the children. Thanks to the Child Sponsorship Program through ASON, I have an open door to work with the parents. Now the parents come to me!"*

Dominican Republic—Raquel Mendez—Youth Development
